Please answer the following questions in the space provided:

1. Please indicate what activity of the video production interests you the most by rating them with 1 as the most interesting and 3 the least interesting.

_____ Actor, anchor, interviewer, reporter

_____ Crew member

_____ Script writer, idea person, producer

2. Name two things you are good at and how those things would help you be a good New Voices participant:

3. Name one thing in the world you would change if you had the opportunity:

Students are provided a 12-16 hour training session over a 3 -day period at the Media Center in Palo Alto. However, the actual making of the media productions occurs throughout the year. New Voices participants must understand and agree to volunteer 4 hours per month to develop, plan and produce New Voices programs/PSAs.

I have read the New Voices Overview and Objectives Statement and agree to volunteer four hours/month to develop, plan and produce New Voices programs/PSAs, in addition to attending the initial media production training session.
